FOR IMMEDIATE RELEASE

**BERKHEIMER OUTSOURCING ACCEPTS ANYDOC® CONNECTION USER AWARDS
Recognized as Winner in Two Different Categories**

BETHLEHEM, PA – SEPT 22, 2008 – Berkheimer Outsourcing, Inc, a leading provider of Document Process Outsourcing, announced today that it has been recognized by AnyDoc Software, Inc as the winner in two out of ten categories at their 2008 Connection User & Reseller Conference.

AnyDoc Software, Inc. provides automated document and data capture and classification solutions. The awards, accepted by John DeRemer, Vice President of Berkheimer Outsourcing, were presented at the AnyDoc 2008 Connection User & Reseller Conference in Tampa, FL.

The first award to Berkheimer was for Highest Volume (Multi-Document Type). Utilizing the OCR for AnyDoc® solution enables Berkheimer to process more than 10 million different documents annually. The second award was their Customer Loyalty Award for 10+ years of use. Berkheimer began building a partnership with AnyDoc Software in 1996 and the partnership grows stronger each year with the success of both companies.

Embracing partnerships with AnyDoc Software and Document Conversion Associates, Inc. (DCA), Berkheimer Outsourcing is able to process millions of documents annually. The company handles documents such as tax forms, expense reports, automobile collateral management forms, healthcare claims, and more – cutting processing times up to 66% while increasing productivity and client satisfaction.

According to DeRemer, "OCR for AnyDoc has increased our ability to meet the most stringent compliance and accuracy rates required by our customers – including those customers associated with the government and the pharmaceutical and healthcare industries."
